Brick

Inspired by the bond pattern of laying bricks, the Brick Sofa will form the foundation of your interior. While strong in its appearance, the extra layer of foam in the filling ensures that the sofa is easier to sink into and looks softer. Choose from four elements and arrange them in a structure of your liking. Slide the backrest seamlessly aCross* two parts to reveal the staggered brick pattern and back again to change its look. Available in all Studio HENK fabrics, including our latest sustainable offerings. Made in the Netherlands.

The Unfold Sofa is conceived as an open invitation.
Its generous, pleated cushions give the design a distinctive signature and offer a seating experience that feels intuitive in everyday use. Neither rigid nor distant — yet never withdrawn.
A sofa that encourages presence.

The pleats are more than a visual detail. They introduce softness and resilience, subtly adapting to the body while bringing movement into the design. In contrast with the clear, structured base, the sofa gains a lively character and invites active use.

Thanks to its modular design, the Unfold Sofa adapts effortlessly to different spaces and moments. A place where people gather, linger, and where conversations arise naturally — without the need for prompting.
